JAHANVI AGRAWAL

E-mail: Jahanvi.Agrawal@iiitb.org

Address: 201, Dev Chhaya Apartments, 2nd Hasnabad Lane, Santacruz (West), Mumbai-400054

Mobile: +917045659459

Career Objective: Highly motivated & passionate female engineering student wanting to make meaningful career in the field of information technology.

ACADEMICS:

College: International Institute of Information Technology (IIIT), Bangalore

Year   : Currently in the 2nd year of undergraduate program of Integrated MTech (a 5 Year integrated program with BTech + MTech)

Course : Electronics & Communication Engineering (ECE with DSA, Mathematics and Programming courses such as Java, C++, C and Python, in the 1st and 2nd year)

Ranks/Score secured in some of the Engineering Entrance examinations & Board examinations:

- o JEE Mains 2019 Rank   : 9981 (secured 99.14 percentile)
- o JEE Advanced 2019 Rank   : 6538
- o BITSAT 2019 score   : 306/450 marks
- o 12th Std Maharashtra State Board Examination 2019 percentage: 89.69%
- o 10th Std ICSE 2017 percentage   : 94.44% (15th rank in Lilavatibai Podar Secondary School)
- o SGPA in the 1st semester (IIIT-B) : 3.44/4.0
- o SGPA in the 2nd semester (IIIT-B): 3.29/4.0
- o SGPA in the 3rd semester (IIIT-B): 3.63/4.0
- o **CGPA (till 3rd semester)   : 3.45/4.0**

EXPERIENCE:

- o GitHub link: https://github.com/1234-jahanvi

- o LinkedIn profile: https://www.linkedin.com/in/jahanvi-agrawal-a861171ab

- o Active member of ZENSE (the Software Development club of IIIT-Bangalore) – where I was one of the 15 first year students who got into the ZENSE club.

- o Participated in ZENSE HACKNIGHT 2019 (an overnight hackathon) organized by ZENSE (the coding club of IIITB) where my team-mate and I succeeded in making a simpler version of the game, Flappy Bird (Tech Stack: JavaScript, HTML, CSS)
     GitHub Link to the project:

     https://github.com/zense/Canvas-Competition/tree/HacKnight2K19/watchOut

- Developed A POMODORO CLOCK (a web application with Tech Stack: JavaScript, HTML and CSS) for the ZENSE Recruitment Drive. This project got me recruited into the ZENSE club.

  Project Aim: To help students study in small timeframes with planned breaks

  GitHub Link to this project:

  https://github.com/1234-jahanvi/POMODORO-CLOCK

- Worked as a Speaker Curator at TEDxIIITBangalore2020 held on 5th September,2020. Being a part of the Speaker Curation team, I got the opportunity of curating the talk of several enlightening speakers.

- Implemented a Multiplayer Quiz or a Game Show using SOCKET PROGRAMMING using Python3. Here, we have a host who conducts the show and other players provide answers to win.

  GitHub Link to this project:

  https://github.com/1234-jahanvi/Socket-Programming

- Working on the ZENSE Website for the club (Tech Stack: Tailwind CSS, Jekyll, and Ruby) as a part of Zense club.

- One of the 15 first year students who got the opportunity from the college to prepare for GSoC 2020

- Secured A- grade in the Programming course in the 1st semester

- Built a Hospital Management System as a group project in the C Programming course

- Built a Python-based Drawing tool (using Tkinter) as a group project in the Python Programming course

- Participated in ACM-ICPC 2019 (the most prestigious programming contest in the world)

- Active volunteering in I-Stem Hackathon 2020 (a 24-hour hackathon where blind and visually impaired developers, professionals and engineering students come together to work on exciting and challenging problems) organized by IIIT-Bangalore.

- Attended Bengaluru Tech Summit 2019 (the largest technology summit in India)

SKILLS:

- Fluent and hands-on coding experience in programming languages like **C**, **Python**, **Java**, **C++, JavaScript, HTML and CSS.**

- Additionally, have begun to learn **MERN stack** (MongoDB, Express, React, NodeJS).

- Solving exciting and complex coding problems whenever I get free time from online coding platforms like **HackerRank**, **HackerEarth**, **CodeChef** and many more platforms.
- Active participation in various events of **SPANDAN** (the Intra-college Sports Fest of IIITB) and **INFIN8** (the Annual Cultural fest of IIITB)
- Part of Speaker-Curation team of **TEDx IIIT-Bangalore 2020.**
- Active volunteering work in college fests.

HOBBIES:

- Listening to music
- Playing Badminton, Table Tennis and Lawn Tennis (taken professional coaching in Lawn Tennis for six years)
- Passionate in drawing & painting (have been professionally coached since childhood)
- Secured Grade A in both Elementary (2013) and Intermediate (2014) Drawing Grade examinations conducted by State Examination Board, Gujarat State
